Application No.: 09/365,426

Attorney Docket No.: 51410/P013US/09900130

Applicant proposes to discuss the rejection of claims 29-34 and 12-14 under 35 U.S.C. 112, second paragraph in view of M.P.E.P. 2173.05(b) showing examples of "substantially" as a definite term.

Applicant proposes to discuss the rejection of claims 12-14, 23, 29-32, and 34-40 under 35 U.S.C. 103(a) in view of the recited limitation of "sending a disbursement message to said banking network, wherein said disbursement message comprises information regarding the distribution of funds associated with said replenishment transactions." The Examiner admits in the Office Action dated November 19, 2003, page 2, that "T237 also fails to disclose sending a disbursement message to the banking network, wherein the disbursement message network regarding the distribution of funds associated with the replenishment transactions." The Examiner has not relied upon either the T579 reference or the Hanson reference as curing the deficiencies of T237 with respect to the limitation cited above. Furthermore, at least claims 29-32 have been previously indicated as allowable in the November 19, 2003 Office Action.
